

System Strengthening for Elephant Corridor

Considering the frequent electrocution of Elephants in recent time it is felt necessary that some Infrastructure Strengthening work in Elephant Corridor area is to be done. The scheme was launched during the F.Y 2012-13 for which a token provision of ₹1 lakh was made. A budget provision of ₹ 21 crore has been made in the financial year 2013-14. In the F.Y 2014-15 a provision of ₹ 35.85 crore has been made. The works under the Scheme is being implemented by the Distribution Companies
